

Hosted by Tail Draggers RC  
of Cartersville GA

-NO LANDING FEE!  
-CONSESIONS ON SITE  
-RADIOACTIVE FLIGHT TEAM'S PILOT  
JEFF PHILLIPS TO FLY

# Richard Picolla Memorial Fly In

Come out Saturday July 30<sup>th</sup> 2011 to the Tail Draggers RC flying field and be part of a fabulous day of flying remembering a devoted modeler and member of Tail Draggers Radio Control club. We have a nice 600'x75' low cut grass runway fully capable of handling large scale aircraft. This event is open to any current AMA pilot and there will be no landing or entrance fees.

Flying will begin at 9:00am and will last until the last person leaves. Open flying all day long, any type and size RC aircraft can fly with AMA membership. Spectators are welcome and we have plenty of parking area. This event was very well attended last year!

We are located in Euharlee GA at the following GPS coordinates: 34.152603 N, 84.899300 W. From I-75: Take exit 288 to Cartersville/GA-113 S. Remain on GA-113 for 5 miles. Turn right onto Euharlee Rd and follow Euharlee Rd for 4 miles. Turn right onto Adams Chapel Road and the field will be the first drive on the right.
